

From the Rector

Dear parishioners,

I am sure you know by now, the Bishop has taken the decision that all Church services be cancelled until the given review date of 29th March. Also churches that are usually open for private prayer and reflection will unfortunately no longer be kept open for safety reasons. These are unprecedented times, and I am sure you are as baffled about the whole thing as I am!

Although the church buildings will be closed, we do not stop being the church. Know that I will be praying for you all tomorrow.

If you would like to join in televised or act of worship streamed through the internet here are some options available to us:
